April 26 - 28

Minsk 2019

INFORMATION LETTER

Dear Colleagues!

On April 26-28, 2019 we invite You to participate in the X International Scientific Conference

«AUTHENTIC FOLKLORE: preservational, studying and perceptual problems

The conference will be held at the Belarusian State University of Culture and Arts. BSUCA has status as an institution with strong academic traditions and relationships, which gives diverse liberal arts education; the conference provides universal, anthropological approach to folklore, which is necessary to save it in the conditions of the globalization challenges of the XXI century.

Conference schedule:

- plenary, sectional and final session of the XII International Scientific Conference;
- XVI ethnographic concert «Belarusian hinterland folklore»;
- workshops of leading experts in the field of Eastern European folklore;
- youth folk groups concert;
- excursion to the skansen museum on the artistic reconstruction of traditional ritual.

Sections the XIII International Scientific Conference:

Section 1. Intangible cultural heritage and its preservation.

Section 2. Typical and and genre transformation of authentic folklore.

Section 3. Semantics and mythopoetics of traditional ritual.

Section 4. Traditional culture in the book, educational space and audiovisual anthropology.

Section 5. Ecology of traditional artistic culture.

Section 6. Contribution of Lutskevich family in studying and popularization of folklore (dedicated to Ivan Lutskevich's 135th birthday).

Section 7. Song ethnophony problems.

Section 8. Organology and morphology problems of musical instruments.

Participation conditions:

applicants should send an electronic request, the text of the report and a copy of the payment ticket before **April 2, 2019** to the Organizing Committee e-mail:

ethnoandfolk@gmail.com

It's planned to publish the conference materials by the beginning of the conference. The organizing committee reserves the right selection of the texts of reports for publication.
